## THE GAME-CHANGING STOCK CHASER.

This stand-up stock chaser / order picker is famous for its versatility. That's because the MS 260 does everything a workday could ask for. It can easily tow up to 6,000 lbs. and carry up to 1,750 lbs. It also comes equipped with all the features operators need to make their job easier: 59" deck, dual front wheels, short turning radius, light touch controls, padded backrest, ergonomic driving position and low-step entry. Also standard? Leaf spring suspension, integrated 2-step ladder, loading anchors, USB charger, storage compartments and fully protected electrical components. And because it's a Motrec, it's also fully customizable.
